

# Equity in Athletics Report

The Equity in Athletics Disclosure Act (EADA) requires co-educational institutions of postsecondary education that participate in a Title IV federal student financial assistance program, and have an intercollegiate athletic program, to prepare an annual report to the Department of Education on athletic participation, staffing, and revenues and expenses by men's and women's teams. Additionally, institutions are required to publish this report and make it available upon request to students, prospective students, and the public in easily accessible places.

In the report, you will find data on Carolina Christian College Athletic opportunities for women and men, participation information, expenses, revenues, recruiting resources and various salaries. The report is available at the following link, by [CLICKING HERE](#).

Additionally, all enrolled students, prospective students and the public have the right to request the report, which will be promptly provided. If you would like a paper copy of the report, please contact the Dean of Students at (336) 744-0900.
