Carolina Christian recently has received and disbursed CARES Act Emergency Funds to qualifying students. These funds have been allocated to Higher Education Institutions for the purpose of providing financial assistance to students whose classes and campus life were

affected by the Coronavirus / COVID-19. Carolina Christian was fortunate to receive over \$50,000 in emergency relief funding that can go directly to our qualifying students.

These funds are to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to the Coronavirus, including eligible expenses under a student's cost of attendance, such as food, housing, course materials, technology, health care, and childcare.

The initial disbursement and appeal were for \$736.29 and additional funds are considered case-by-case as funds are available. The amount of the last wave will be determined by College's FTE. Students should check their school account email daily for any new updates and the appropriate link to request funds.
