

## Educational Programs

Carolina Christian Colleges offers degrees from the Associate to the Doctoral level. All our degree programs are ministry based with concentrations to meet different areas of ministry our students may desire to pursue. We also offer a Certificate program in Biblical Studies. In 2021, CCC partnered with Zeta Phi Beta Sorority, Inc. to offer a Certificate program in Leadership. Information about our certificate and degree programs is located on the Academic Programs page of our website (<https://carolina.edu/programs/>).
