

Instructional Facilities

Carolina Christian College is a non-traditional commuter institution, with the exception of our student athletes. Our campus instructional facility is encompassed in one building. All academic offices, staff offices, and classrooms are located in our building at 4209 Indiana Ave. Winston Salem, NC 27105. In response to the COVID-19 pandemic, we have classrooms that are prepared for the need to conduct a remote class session. As a ministry, we strive to be a positive impact in our community. In order to do so, we pursue our mission with a mindset of growth. Stay tuned as we continue to strive for greater things in God's ministry.
