

## What is Constitution Day?

In 2004, Congress passed a provision requiring all schools receiving federal funds to develop educational programs for students celebrating the anniversary of the signing of the US Constitution. Congress declared Sept. 17th to be Constitution Day in an effort to increase the nation's civic literacy.

Each year CCC provide engagement and learning resources during the week's chapel service. See our librarian for opportunities to engage. [librarian@carolina.edu](mailto:librarian@carolina.edu)
