### Equity in Athletics Disclosure Act Survey

2023-2024

#### *Department of Athletics*

The Higher Education Opportunity Act (Public Law 110-315) (HEOA) was enacted on August 14, 2008. This law reauthorizes and extends the Higher Education Act of 1965, as amended. The Higher Education Act (HEA) provides the statutory authority for most of the programs and activities administered or conducted by the Office of Postsecondary Education, including requirements related to equity in athletics disclosure.

The Equity in Athletics Disclosure Act requires co-educational institutions of postsecondary education that participate in a Title IV, federal student financial assistance program, and have an intercollegiate athletic program, to prepare an annual report to the Department of Education on athletic participation, staffing, and revenues and expenses, by men's and women's teams. The Department will use this information in preparing its required report to the Congress on gender equity in intercollegiate athletics.

In compliance with the Equity in Athletics Disclosure Act, information on men's and women's athletic programs at CCC can be found for corresponding fiscal years at <https://carolina.edu/consumer-information/>

The report includes the number of participants by gender for each team, operating and recruiting expenses, coaches' salaries, revenues, and athletically related student aid. Federal Regulations Report 668.47
